On 3-16-23 at 11:25 am, our tier was let out for rec/showers. Upon leaving my cell, 28, to go into the rec hall officer Timmons came to close my door behind me and my cell mate and stopped me to say "You can't wear those shorts you have to put on pants." Puzzled as to why he made the statement I then asked for 3-16-23 More clarification by...

saying "What do you mean?" He said that my shorts were too inappropriate to wear out I need to put on pants or lock in. I then was given sweat pants to wear by my cell mate to avoid further conflict and continued into the rec-hall. As I walked away from him he called me by Sir, he, him, and "Fella" I'm assuming to get my riled up and provoke me in to do something against him so that he would have grounds to give me a ticket and lock me up. As a trans woman DPSCS has set rules, regulations, policies, and directives in place on how a female that is housed in a Male Facility is to be handled and Officer Timmons and the majority of the officers here continuously disregard and violate those procedures without consequence. I asked him to seek further information on proper dress code for me and he informed me that he told Officer Foreman he felt I had on what he thought was underwear and I could not wear them. My clothing is not altered in any way nor inappropriately worn. I am a Female with a female body and parts and I should not be discriminated against by anyone yet it consistently occurs in this Facility. As a remedy, I want Officer Timmons reprimanded and \$1,000,000.00 in compensation for the continuous acts of blatant harassment and discrimination against me by the staff and officers.
